

October 1, 2021

Dear Prevea360 Health Plan Provider,

For coverage effective January 1, 2022, we are pleased to expand our offering of Prevea360 Health Plan Affordable Care Act (ACA) Individual Plans and Prevea360 Medicare Advantage Plans from Dean Health Plan into Chippewa and Eau Claire counties. This expansion is in addition to our current Prevea360 Health Plan offerings in Northeastern and West Central Wisconsin, with Prevea360 Medicare Advantage plans in Brown, Door, Kewaunee, Oconto and Sheboygan counties.

As a Prevea360 Health Plan provider, you will use many of the same Prevea360 Health Plan resources for the ACA and Medicare Advantage plans as you do currently; however, there are some differences. To help navigate resources for these plans, please see the enclosed 2022 Prevea360 Health Plan ACA & Medicare Advantage Quick Reference. It is designed as an at-a-glance resource for office staff working directly with members as well as those responsible for day-to-day processes, such as authorization requests and claim submissions.

The ACA Individual enrollment period via the federal exchange is November 1, 2021, through January 15, 2022. Our ACA plans offer not only the 10 essential health benefits but also \$0 preventive services and additional benefits for overall health and wellness. The ACA plans are available at different tiers allowing enrollees to choose the plan that suits their needs.

The Medicare Advantage enrollment period is October 15, 2021, through December 7, 2021. Our Medicare Advantage plans offer no-cost extras and supplemental benefits not available through Original Medicare, such as in-home and virtual support, over-the-counter allowances, vision and hearing benefits, wellness rewards, gym memberships, and home fitness kits. Each plan is unique, including an option without prescription drug (Part D) coverage for those who already have prescription drug coverage through another source.

If you have questions or would like to request a training session for your organization, please contact Provider Network Consultant Kim Butenhoff at Kimberly.Butenhoff@deancare.com.

We look forward to continuing to work with you in the coming year!

Sincerely,

Katie Luther
Director - Provider Network Administration
